About Silver Lake Junior Tennis

Silver Lake Junior Team offers year around tennis training for students ages three to eighteen. We offer beginner classes for every age. Aside from our developmental program that covers all ages, we offer a high performance program for ages ten to eighteen where students set their goals towards college tennis and beyond.

With SLJT we prioritize camaraderie, character growth, respect, discipline, and of course fun ahead of winning and losing. We utilize a curriculum that allows students to progress with success at every step of the way. We strive to teach much more than tennis and are proud to offer you a program where our students feel more like a family than opponents. Simultaneously we strive to teach rock solid fundamentals, tactics, mental fortitude, physical fitness, and overall general health.

For Questions, please contact Jesse Schouten at 425.745.1617 ext. 2240 or Elliot Beam at ext. 2239.

Program Pyramid

Competition 11 – 18 (Silver and Gold):

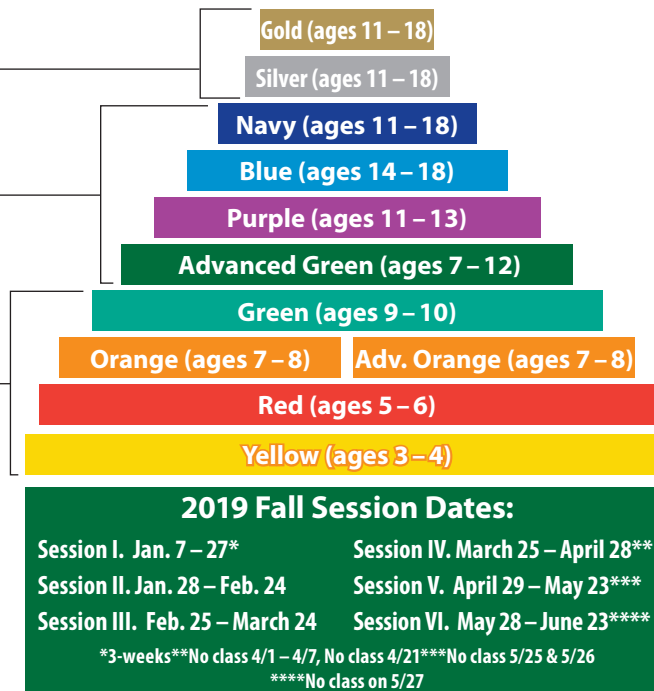

USTA Intermediate & Advanced tournament players, and Varsity H.S. players. Detailed skill enhancement, point play, mental coaching, fitness and team work built inside of a highly competitive yet cooperative environment.

Developmental 11 – 18 (Purple, Blue, Navy, Adv. Green):

This section of our program is geared towards recreational players from beginner – intermediate. First time players through high school JV and low varsity. Skill development, proper footwork, point play, and beyond!

10 & under (Yellow, Red, Orange, Green):

This is our 10 and under beginner – intermediate program. We use USTA standardized appropriate equipment and courts. We work on the motor skills and stroke skills to build a strong and wide foundation for future development. We use partner based drills vs. students standing in lines. They learn to enjoy the “art of the rally.”
