Spring Golfing

With the golf season right around the corner, if you haven't gotten your clubs out of the closet, now would be the time to do that. Come out to our practice facility to work out the winter kinks in your golf games. Schedule some lessons to get fully prepared for playing golf this year. Stretch those swing muscles out, sharpen your golf swing fundamentals, before you know it Spring will be here with dry courses and sunshine all around. Don't be left behind, get in and work on making this year your best golfing year ever! We are here to help you get your games in summer shape and add more fun to your on-course experience

We are in the business of helping you get better, have more fun, playing good golf. From our mild year-round climate, (tee area covered and heated) you can work on improving your swing comfortably and being a member of the health club or the range, do so saving money.

Check out our new membership program in place now! See how we've added value to your health club membership with Super Range amenities.

With a staff of dedicated professionals, we help young and old, beginners, intermediate, and skilled golfers get better in this great game, whether in a private or group lesson setting. Stop in and see what we can do to help you enjoy this great game, a game of a lifetime.

New Clinic for 2018 – Stretching for Better Golf

This time of year, perhaps you haven't been as active with your golf lately. Better weather and the golf season is just around the corner. Be ready by taking steps now to get your golf swing fundamentally sound and body in swing shape. The success we had in the Winter Stretch and Swing Training program this past month, sparked the creation of this clinic. This weekly program is designed to help golfers improve their golf games, through swing flexibility training and exercises. There is no other program in the area like it being offered now. The single session price is \$25 for the half-hour. Let us help you design a winning golf fitness program. Sign Up!

Days: Mondays, 1 – 1:30pm

March Happenings

Rainy and colder weather makes this time of year the best to work on improving your golf swing and games. Keeping your golf games sharp, we continue to offer our clinics and golf lessons to help you play better and enjoy golf more. So take advantage of our programs by keeping those swings going, or if you are new, it's a great way to improve and learn. On those

days that the weather might be a little off... Remember it's always warm and dry at the Super Range Practice and Learning Center.

Golf Clinics: a group gathering in which a small presentation on an element of golf (practice, on course play, swing issues, mental side is discussed, then individual time spent with each attendee.
